Pacific Radiance Secures Major Contracts in the Middle East

SINGAPORE 21 August 2024

For immediate release

Pacific Radiance Ltd. (the “Company”) has, through one of its subsidiaries (together, the “Group”), secured charter contracts with a leading national oil company in the Middle East for the operation of Crest Station 1 and Crest Mercury 2.

The contracts for Crest Station 1 and Crest Mercury 2 have an approximate total contract value of US\$31.6 million (including options for extensions) and US\$9.2 million respectively. Both vessels are set to play an instrumental role in facilitating key development work for the UAE's offshore energy projects, with Crest Station 1 providing accommodation and operational support for over 400 offshore personnel.

This significant milestone fortifies the Group's position as a leading service provider in the offshore marine sector and highlights the company's strategic commitment to the Middle East. The Group looks forward to contributing significantly to the region's energy infrastructure and operational success.
